## Old pool plaque to be erected at Aura

The Board of Management of the Aura Leisure Centre agreed at their meeting in October that the plaque from the old swimming pool on the High Road will be erected in the building. Arrangements are currently being made to have the plaque installed in the coming days. Mayor Gerry McMonagle and Cllr Thomas Sean Devine were told that it will be a matter for the Board of Management to make arrangements for an unveiling ceremony once the plaque has been erected. It is currently being kept at the County Museum on Letterkenny's High Road.

Cllr Devine asked that an unveiling ceremony be held soon to recognise the last three surviving men from the original High Road Swimming Pool committee along with the families of the deceased members. He said it would be important that representatives from the original committee be invited to the unveiling. Cllr Devine said it would be a fitting tribute to this committee who fought long and hard with collections, bingos and many other fund-raising events to bring the pool facility to Letterkenny. The matter was raised by both Mayor McMonagle and Cllr Devine during Tuesday's Municipal District meeting.
